

Peter Pan Nursery School

9th November 2009.

Dear Parents

This newsletter contains important information and dates, please make time to read it.

Gates

I am sure you will agree that the new fencing and gates are a big improvement and will add to your child's safety.

Once you have mastered how to open the gate please remember to shut it behind you.

Please discourage your child from standing on the gate, the workmen have informed us that this activity will dislodge the locking mechanism – the gate will then not lock at all.

Mobile Phones/Photography

Please remember to switch off mobiles and end your calls before entering the building.

Due to enhanced safeguarding procedures parents will not be allowed to take photographs in the building.

For our celebrations, Christmas, Diwali etc we will take photographs which you will be able to purchase for a small charge. At the end of the performance parents can take photographs of their own child if they wish to do so.

Spare Clothes

Unfortunately we are currently unable to change children as our clothes stock has depleted. If your child has been changed at school could I please ask you to wash and return any clothes as soon as possible – this has not been happening and we now have nothing left. Therefore, please could you provide your child with a change of clothes which can be kept on your child's peg. Please remember to name all items of clothing including hats/scarves/gloves etc.

Toys

We know that children like to put toys and small pieces of equipment in their pockets and bags. We would be grateful if you could return them to school if you find them at home.

School Photos

Please remember to return your photos to school as soon as possible and by 16th November at the latest. Any photos that are late being returned incur a further charge from the photographic company.
